Project Manager, Dallas County Promise
carla.israel@dallascountypromise.org

Born and raised in San Diego with four siblings, Carla attended both private and public schools and then went on to study vocal music at San Diego State University. In 2007, she moved to Dallas where she worked in the private sector. Coming from a background in Finance, HR and Energy, Carla brings a wealth of information in project management, a strong desire to learn, and a great proclivity for team work.

With a daughter attending a Dallas ISD school, Carla carries the passion of a parent in the community we serve and the desire to help facilitate educational opportunities for her daughter and her peers.

Carla lives in Dallas with her daughter, dog and cat, and enjoys spending time outdoors. Whether she is camping, hiking or riding her bike, Carla likes to stay active and spends time volunteering with Bonton Farms and Local Community Food Banks.
