UNIVERSITY OF NORTH TEXAS AT DALLAS

# NEED COLLEGE TUITION? NO SWEAT. WE GOT YOU.

## WHAT IS DALLAS COUNTY PROMISE & WHAT ROLE DOES UNT DALLAS PLAY?

The University of North Texas at Dallas is proud to make a bachelor's degree attainable for all as a partner with Dallas County Promise, an innovative, life-changing program that aims to send graduating seniors in Dallas County to college for free! The Dallas County Promise is a last dollar, tuition scholarship that pays the difference of what your gift or free aid covers and the cost of your tuition.

Promise Scholars make a pledge to attend a Dallas County community college tuition-free. After earning an associate degree, Promise Scholars then continue at UNT Dallas for up to three more years to pursue a bachelor's degree. If state and federal financial aid don't cover the cost of classes, the UNTD Dallas County Promise will cover the rest!

## WE PROVIDE THE CRITICAL KEYS TO SUCCESS

Dallas County Promise and UNT Dallas will stand by you every step of the way, from your senior year of high school through college graduation, and even as you start your career in an exciting job. Success coaches, academic advisors and faculty will continuously support you and keep you on track!
