2022-2023 Dallas County Promise Policies

Executive Summary:

Dallas County Promise (known as Promise) is a transformational effort between school districts, colleges, universities, workforce, and communities to reduce the financial burden on students while completing a postsecondary degree or credential.

Through the Promise, participating colleges provide scholarships to students who graduate from one of 69 Promise high schools with either a diploma or associate degree. The Promise scholarship covers the gap between need-based financial aid and the cost of tuition for up to a time limit or the completion of a degree per institution.

The Promise program is awarded to students who meet certain eligibility requirements and deadlines at participating college and university partners. In addition to the financial award, Promise scholars will get access to dedicated student supports.

A growing list of college and universities are involved in the success of the Promise program, and funding is available for students who qualify.

The Goal of Promise:

To provide the necessary financial, educational, and career support to prepare students for education beyond high school and successful careers.

Section I: Dallas College

All students, regardless of income or grade point average, who graduate in 2022-2023 from a participating Dallas County high school (see Appendix A) and meet the Promise deadlines, will receive sufficient funding to pay the full cost of tuition in accordance with Table 1 at Dallas College:

Table 1 – Maximum Promise Eligibility

Certificate/Degree Plan	Maximum Promise Eligibility
Continuing Education Unit (CEU)	Three consecutive academic years or completion*
Associate degree (with Diploma)	Three consecutive academic years or completion*
Bachelor degree (with Diploma)	Five consecutive academic years or completion*
Bachelor degree (with Associate degree)**	Three consecutive academic years or completion*

*whichever comes first

**e.g. Early College High School or P-TECH students

Promise funding is only available for a student's first associate and/or bachelor degree and does not include the cost of textbooks or other learning materials.

Additionally, Dallas County Promise Scholars will be paired with and supported by a Dallas College Success Coach and will have access to additional transfer scholarships to attend partner four-year universities. Some transfer offers have additional merit- and need-based qualifications.

Beyond the expenses funded by Dallas County Promise, there are other college costs that scholars should budget for, including supplies, transportation, rent, and food.

A. Eligibility

2022-2023 graduates are eligible to participate in the Dallas County Promise program if they meet all of the following criteria.

1. Enrolled in a participating high school (see Appendix A) as of November 1, 2022 and graduate from a participating high school during the 2022-2023 school year.
 - a. Students graduating in December 2022 are Promise eligible; however, Promise funding does not begin until the fall semester following high school graduation, Fall 2023.
 - b. Students must graduate between July 1, 2022 and June 30, 2023 to be eligible for Promise in Fall 2023.
2. Meet all Promise deadlines for pledge, admissions application, financial aid application, and enrollment.
3. Are a U.S. Citizen eligible for in-state tuition or are a Non-U.S. Citizen eligible for in-state tuition that complete a Free Application for Federal

Student Aid (FAFSA) or Texas Application for State Financial Aid (TASFA) application.

- a. Students who have not met Texas residency requirements must file an appeal with Dallas County Promise to be considered for the Dallas County Promise. The appeal process will be published in March 2023 on DallasCountyPromise.org.
 - b. Students classified for residency as international or out-of-country students are not eligible for the Promise. Students who have questions regarding their eligibility for in-district or in-state residency status for tuition purposes should visit their college admissions office.
4. Must start classes the fall semester after their high school graduation.
- a. Promise scholars must enroll in the fall and spring semester during their first year and must not skip a fall or spring semester during the three-year eligibility period for associate degree seekers or five-year eligibility period for bachelor degree seekers.
 - b. Promise scholars may enroll in fall, spring, summer, winter, or May terms after enrolling in their initial fall semester.
 - c. "Stop Out" rule is applicable. Students who enter the Promise and sit out for one long semester (fall or spring), must complete an appeal form if they fail to enroll each fall and spring semesters.

Dallas County Promise does not have an initial GPA or income requirement to receive tuition assistance at Dallas College, however students must meet the cumulative GPA requirement and Financial Aid Satisfactory Academic Progress each year. There is no cap on the number of 2022-2023 graduates that can receive the Promise gap funding at Dallas College.

High school students who do not meet the Dallas County Promise deadlines and choose to attend a Promise Partner college will be responsible for all tuition and costs not covered by other scholarships or financial aid.

A Promise Scholar at Dallas College May:

- Enroll in any college credit program (certificate, associate, or bachelor's degree) or in approved non-credit workforce training certificate programs (CEU Programs) through continuing education as long as these non-credit programs are approved by THECB and qualify for reimbursement by the state. See Appendix B for current list of approved non-credit programs.

- Continue on and earn an associate or bachelor's degree after completing a CEU program.
- Receive other scholarship funds (contact financial aid office for further details).
- Use Promise program dollars towards the completion of developmental classes.
- Use Promise program dollars towards the completion Bachelor of Applied Science in Early Childhood Education and Teaching (BAS ECE), which would extend their Promise eligibility to period from three years to five

A Promise Scholar at Dallas College Must:

- Accept all gift aid for which they are eligible, including Pell and state grants.
- Only use Promise dollars towards a first degree. Students who graduate with an Associate degree from high school may not use Promise dollars to attend Dallas College to complete an additional associate degree or Workforce Training Certificate.
- Complete their financial aid file, including verification, before Spring Priority registration begins.
- Check in with their Success Coach, at a minimum, once per semester. Face to face check in is not required. Check in must be acknowledged by a Promise Success Coach as being completed satisfactorily.

A Promise Scholar at Dallas College *May Not*:

- Use Promise scholarship towards non-credit continuing education courses that are not part of a state-approved credential (e.g. institutional awards) or are not listed to fill a demand occupation in the local market.
- Use the Promise award towards more than one CEU program.
- Use Promise scholarship towards study abroad courses.
- Purchase textbooks, supplies, or other items with Promise award funds.
- Use the award at another non-Promise college/university outside of Dallas College.
- Use Promise funds upon return to Dallas College after attending another institution.
- Can not receive Promise funding for concurrent enrollment at Dallas College and another institution.
- Transfer the award to another individual.
- Receive a refund of any unspent Promise dollars in his/her award account.

- Enter the Promise Program during the summer prior to the scholar's first semester in the program.

Immediate Ineligibility Criteria

Should a student fail to adhere to any/all policies, Dallas County Promise invokes the right to remove a student's eligibility. It is the scholar's responsibility to keep contact information up to date with Dallas County Promise and the awarding institution's registrar's office. Incorrect contact information does not prevent a student from becoming ineligible.

A Promise scholar will become immediately ineligible for his/her award if the scholar:

1. Does not comply with the Dallas College Financial Aid Satisfactory Academic Progress Policy (SAP):
Which indicates that a student must maintain:
 - a. 2.00 cumulative (overall) GPA on a 4.00 scale on all credit-based hours completed at Dallas College.
 - b. Completion of 67% of all attempted credit hours at Dallas College. Failure to comply with either the 2.00 GPA or 67% completion ratio will place the student on a Warning period of one full term or semester in which the student will maintain eligibility for the Dallas County Promise program as well as any other Financial Aid. If the student continues to fall below these standards at the end of the Warning period then the student will be removed permanently from the Dallas County Promise program and Suspended from Financial Aid until such time the student meets those standards.
 - c. If the student attempts credit hours in excess of 150 percent of the minimum number of hours required to complete the scholar's program of study, the student will be removed from the Dallas County Promise as well as be Suspended from Financial Aid. In an Associates program the minimum number of hours to complete the program is 60 college level credit hours. Under this 150% standard an allowance of up to 90 college level credit attempted hours is made for completion.
2. Does not register for fall and spring semesters. Does not complete 18 credit hours per academic year. Does not declare a CEU program during the three years* in the Promise program at Dallas College (*five years for bachelor's degree candidates).

3. Does not re-apply for next academic year's FAFSA/TASFA by March 1, 2023. (Students must be sure to add Dallas College, school code 004453, as a recipient on the FAFSA and list Dallas College as the College/University on the TASFA form.)
4. Is suspended or expelled by the campus for violating the Dallas College Student Code of Conduct.
5. Use Promise funds upon return to Dallas College after attending another institution.
6. Can not receive Promise funding for concurrent enrollment at Dallas College and another institution.
7. "Stop Out" Appeal not approved.
8. Knowingly falsifies or enters major discrepancies of any information on their Promise application, admissions application, or FAFSA/TASFA application.

Eligibility for the Dallas County Promise program is consistent with the same eligibility requirements with respect to a student's criminal record as those in the federal Title IV programs that includes the Federal Pell Grant program.

Promise Reinstatement Policy

If a student is suspended from or becomes ineligible to receive the Promise Program because of qualifying special circumstances (i.e. military, pregnancy, documented illness, etc.), the student may submit a petition to Dallas College with information on the mitigating circumstances that resulted in his or her loss of eligibility. The petition form must include supporting documentation regarding the circumstances. A committee will review each student's submission during a two week window after the fall, spring, and summer terms. The student will be notified by Dallas College within 30 business days after a decision has been made regarding the appeal.

B. Application

To receive the Dallas County Promise scholarship, 2022-2023 graduates must meet three key deadlines:

- **February 1, 2023:** Complete the Dallas County Promise Path form at www.DallasCountyPromise.org.
- **March 1, 2023:** Complete Dallas College admission application
 - Active dual credit students taking courses in the 2022 Fall term at Dallas College need only to update their contact information with campus at which they intend to enroll. If students are not currently taking classes at Dallas College, they will need to reapply.

- **March 1, 2023:** Submit FAFSA or TASFA with Dallas College listed (school code 004453).
- **July 26, 2023:** Complete Dallas College registration for the fall semester.

C. Payments and Renewal

Promise scholars will never directly receive funds from Dallas County Promise. After a Promise scholar's eligible state and federal grant or gift financial aid have been transmitted, the Dallas College Foundation will fund any remaining tuition balance with the dollars that Dallas College has designated for the Promise scholarship.

To receive their initial financial aid award from Dallas College, Promise scholars must complete the following:

1. Promise Scholars must register on or before July 26, 2023 to remain eligible for the Promise program.
2. Promise Scholars must identify and declare a program of study (major or career path) at time of registration in order for financial aid to disburse.
3. Promise scholars must complete pre-advising before registration begins to select courses that apply toward the scholar's degree and/or certificate plan.

To maintain eligibility to renew the Promise award, scholars must complete the following:

1. Successfully complete at least 18 hours over the course of the academic year. An academic year includes fall, spring and summer semesters.
 - a. Promise scholars must enroll in a credit or CEU Program leading to a credit degree or certificate. These programs must be classified as "reimbursable" by the State of Texas. See Appendix B.
 - b. Scholars may not receive Promise funding for more than 36 credit hours per academic year (fall, spring, and summer semesters).
 - c. Scholars must meet Dallas College Financial Aid Satisfactory Academic Progress (SAP) policy in order to remain in the program: www.dcccd.edu/sap. As listed above, a student who does not maintain the SAP standards may be removed from the Dallas County Promise Program.
 - d. Students will receive warning – adding and dropping classes will affect financial aid and may also affect Promise eligibility.
2. Renew their FAFSA/TASFA by March 1, 2023 (school code 004453).

3. Check in with their Success Coach, at minimum, once per semester. Face-to-face check in is not required. Check in must be acknowledged by a Promise Success Coach as being completed satisfactorily.

D. Additional Considerations

- **Correct Contact Information:** The student is responsible for notifying Dallas County Promise and their college when his/her contact information changes by emailing student.success@dallascountypromise.org. (Include full name and student ID.) Incorrect information does not prevent a student from becoming ineligible. Once a student is enrolled, correct contact information must be on file with the student's scholarship Success Coach.
- **Determining Program Eligibility:** Only designated staff members of Dallas County Promise, Dallas College, or other partner college/university may determine a student's eligibility.
- **Policy Changes:** Policies may be subject to change without notice. It is a student's responsibility to refer to the policies as posted at dallascountypromise.org for updates and changes to the Promise program.

Section III: Midwestern State University

At Midwestern State University (MSU), the Dallas County Promise is funded by MSU endowment dollars and is an extension of their Mustangs Guarantee Program.

All Dallas County Promise (Promise) students who graduate from a participating Dallas County high school (see Appendix A) and meet the requirements of the Dallas County Promise Program are eligible to attend MSU as a first-year or transfer student. To be eligible for Dallas County Promise/Mustang Guarantee, students must be Texas residents, admitted to MSU, Pell Grant eligible, and have a combined annual family Adjusted Gross Income of \$65,000 or less.

The Dallas County Promise program will cover the remaining balance of any tuition and mandatory fees for 15 or more credit hours each semester for up to four academic years (summer terms and non-MSU enrolled hours are not included) that are NOT covered by other grants, scholarships, exemptions, benefits and/or waiver programs received by the student. All MSU partnership requirements are specified in the sections below.

In addition to mandatory tuition and fee expenses covered by the MSU Mustangs Guarantee Program and the Dallas County Promise, scholars should budget for additional items that include, but are not limited to housing and food, transportation, supplies (both academic and personal), parking fees, installment plan fees, post office box rental fees, late fines, reinstatement fees, late registration fees, etc.

In accordance with NCAA rules, current and prospective student-athletes will be offered awards on an individual basis; certain forms of assistance, such as those offered through the Dallas County Promise / Mustangs Guarantee Program, may not be awarded to a student-athlete.

A. First Year Student Enrollment at Midwestern State University

Students eligible to attend MSU after high school graduation within the parameters of the Promise program must meet **ALL** of the following criteria. High school students who do not meet the Promise deadlines and criteria will be responsible for all tuition and fees not covered by scholarships and/or financial aid. International students currently are not eligible for the Dallas County Promise program at MSU.

1. Eligibility

2022-2023 graduates are eligible to participate in the Dallas County Promise program at Midwestern State University as a new, first-year student if they meet all of the following criteria.

1. Attend a participating high school (see Appendix A) for the full 2022-2023 school year and graduate in the 2022-2023 school year.
2. Meet all Promise deadlines for the Promise Path form, admission application, financial aid application, orientation, and enrollment.
3. Have a combined family adjusted gross income of \$65,000 or less as reported on the FAFSA.
4. Be eligible for the Federal Pell Grant program as determined by the FAFSA.
5. Be a US citizen and a Texas resident.
6. Must start classes the fall semester after their high school graduation.
 - a. Promise scholars must enroll in the fall and spring semester during their first year and must not skip a fall or spring semester during the four-year eligibility period.
 - b. Promise scholars may receive the scholarship benefit for fall and spring terms but NOT for summer or mini terms.
 - c. "Stop Out" rule is applicable. Students who enter the Promise and sit out for one long semester (fall or spring), must complete an appeal form if they fail to enroll each fall and spring semesters.

Students who graduate from high school with their associate degree are also eligible to enroll directly to Midwestern State University and will complete the same steps as outlined below.

2. Application

- Meet all Promise deadlines for the Promise Path form, admission application, FERPA waiver, financial aid application, scholarships, orientation, and enrollment.
- Be accepted for admission to Midwestern State University for a Fall term on/before March 1, 2023. The \$40 application fee will be waived for students with a complete Promise Path form on file.
- Have a complete financial aid file on/before May 31, 2023 which includes the submission of all required documents if chosen for verification.
- To ensure prospective students are considered not only for Promise but for all of MSU's competitive scholarships, scholars are required to apply for admissions and financial aid by March 1, 2023.

For more information about applying for admission, scholarships or financial aid as well as fee waivers contact Cristie Glazner at cristie.glazner@msutexas.edu.

3. Payments and Renewal

Once a Promise student is enrolled at MSU, scholars must maintain specific criteria in order to continue receiving financial aid. The renewal criteria are as follows:

- Maintain a minimum of at least 15 credit hours through the 12th class day each fall and spring semester (non-MSU enrolled hours are not included)
- Earn at least 12 credit hours at the end of each fall and spring term
- Maintain a minimum cumulative grade point average (GPA) of 2.00 at the end of each fall and spring semester
- Meet and maintain minimum standards of MSU's Satisfactory Academic Progress as set forth in the MSU Undergraduate Catalog
- Complete a bachelor's degree within four (4) years of enrollment at MSU

Promise scholars may receive other private and institutional scholarship or financial aid funds which will be used towards the fulfillment of the MSU mandatory tuition and fees as part of the Mustangs Guarantee Program. Once tuition and fees are covered in full, any remaining scholarship or financial aid accepted by the student, will be used to cover MSU housing and dining costs. After all financial obligations to MSU are paid in full by aid received, a refund will be issued to the student to pay for any remaining educationally related expenses as long as there are remaining funds in the student's account.

A Promise Scholar at MSU May:

- Receive other private and institutional scholarship funds (contact the Financial Aid Office at MSU for further details)

A Promise Scholar at MSU Must:

- Accept all gift aid for which they are eligible, including Pell and state grants.
- Complete their financial aid file, including verification, by May 31 each year.

A Promise Scholar at MSU *May Not*:

- Transfer the award to another college/university outside MSU.
- Return to MSU and receive funds after or while attending another institution.
- Transfer the award to another individual.

- Receive a refund of any unspent Promise dollars in his/her award account.

B. Transfer Enrollment to Midwestern State University

Students are eligible to transfer to MSU within the parameters of the Promise program must meet all of the following criteria. High school students who do not meet the Promise deadlines and criteria will be responsible for all tuition and fees not covered by scholarships and/or financial aid. International students currently are not eligible to receive the tuition benefit at MSU through the Promise program.

1. Eligibility

Scholars who remain Promise eligible and complete an associate degree from Dallas College with at least a 2.00 GPA and other key criteria can receive a last-dollar, tuition-only scholarship to MSU. **Students wishing to transfer to MSU before completing an Associate degree are ineligible to receive a Promise Scholarship and would fall into the MSU standard transfer scholarship policies and process.**

Transfer eligibility criteria is as follows:

1. Promise Scholars must maintain Promise eligibility at Dallas College and must enroll at MSU the fall or spring semester after graduation from Dallas College with their transferable associate degree (Associate of Arts, Associate of Science, Associate of Arts in Teaching)
2. Be a US citizen and a Texas resident
3. Have a combined family adjusted gross income of \$65,000 or less as reported on the FAFSA
4. Be eligible for the Federal Pell Grant program as determined by the FAFSA
5. Students must be accepted for transfer admission to MSU no later than April 1 for the fall semester or November 1 for the spring semester of the year in which the student intends to transfer
6. Students must submit the Free Application for Federal Student Aid (FAFSA) each year on or before January 15
7. Must start classes the semester after their associate degree completion.
 - a) Promise scholars may not skip a fall or spring semester during the three-year eligibility period.
 - b) Promise scholars may receive the scholarship benefit for fall and spring terms but NOT for summer or mini terms.
 - c) "Stop Out" rule is applicable. Students who enter the Promise and sit out for one long semester (fall or spring), must complete an appeal form if they fail to enroll each fall and spring semesters.

A Promise Scholar at MSU May:

- Receive other private and institutional scholarship funds (contact the Financial Aid Office at MSU for further details)

A Promise Scholar at MSU Must:

- Accept all gift aid for which they are eligible, including Pell and state grants.
- Complete their financial aid file, including verification, by May 31 each year.

A Promise Scholar at MSU May Not:

- Transfer the award to another college/university outside MSU.
- Return to MSU and receive funds after or while attending another institution.
- Transfer the award to another individual.
- Receive a refund of any unspent Promise dollars in his/her award account.

2. Application

2022-2023 Promise Scholars must declare their intent to transfer to MSU by March 15 with their Dallas College Success Coach during their first year at Dallas College.

Additionally, prospective Promise Transfer Scholars must:

1. Be admitted to MSU by April 1 for fall or November 1 for spring semesters including submitting official transcripts from all previously attended and/or currently enrolled colleges/universities. The \$40 application fee will be waived for students with a complete Promise Path form on file.
2. Have a complete financial aid file on/before May 31 for fall or December 1 for spring which includes the submission of all required documents if chosen for verification.
3. To ensure prospective students are considered not only for Promise but for all of MSU's competitive scholarships, scholars are encouraged to apply for admissions and financial aid by January 15 for fall or November 1 for spring.

3. Payments and Renewal Criteria

Once a Promise student is enrolled at MSU, scholars must maintain specific criteria in order to continue receiving financial aid. The renewal criteria are as follows:

- Maintain a minimum of at least 15 credit hours each fall and spring semester (non-enrolled hours are not included)
- Earn at least 12 credit hours at the end of each fall term
- Maintain a minimum cumulative grade point average (GPA) of 2.00 at the end of each fall and spring semester
- Meet and maintain minimum standards of MSU's Satisfactory Academic Progress as set forth in the MSU Undergraduate Catalog
- Complete a bachelor's degree within three (3) years of enrollment at MSU

For more information about applying for transfer admission, scholarships or financial aid as well as fee waivers contact Cristie Glazner at cristie.glazner@msutexas.edu.

Section IV: Paul Quinn College

Section V: Southern Methodist University

At Southern Methodist University (SMU), the Dallas County Promise (Promise) program places an SMU education within students' reach by combining with other grants and scholarships to meet SMU tuition and fees. Selection is based on academic quality and need. Student must be a Texas resident and qualify for a Pell Grant or have equivalent need. SMU is expanding the eligible high schools to include all 2022-2023 Dallas County Promise high schools (see Appendix A).

Dallas County Promise Scholarship

Students that are enrolled in the Dallas Promise Program are **NOT** automatically selected and awarded an SMU Dallas County Mustang Promise Scholarship. **Dual credit high school students that have earned an associates degree at the time of graduation are NOT eligible for this award.**

SMU will select up to five (5) high school seniors to receive a two-year Promise Scholarship. This is a last-dollar scholarship (combined with other grants and scholarships) to provide full tuition and fees. It is available exclusively to students who meet the requirements below, have fulfilled the requirements for the Dallas County Promise program, and plan to earn an **Associate of Arts** or **Associate of Science** degree from Dallas College **PRIOR** to attending SMU.

Selection is through a holistic review process based on academic and extra-curricular achievement, financial need, and leadership potential as demonstrated throughout high school and in the application process.

1. Eligibility Requirements

- Students must be graduating from a participating Dallas County Promise high school located in Dallas County (Texas)
- Texas residency
- Verified Pell Grant eligibility as defined by the Free Application for Federal Student Aid (FAFSA) or the equivalent demonstrated need as defined by the Texas Application for State Financial Aid (TASFA)
- Priority given to students with a cumulative "A" average (3.5 GPA on an unweighted 4.0 scale) in grades 9-12
- Students must complete the requirements for the Dallas County Promise Pledge
- Students must complete their associate's degree after graduating from high school (students graduating high school with an associate's are not eligible)

2. Transfer Enrollment

Students are chosen as recipients of the Promise Scholarship upon graduating from high school and will transfer into SMU AFTER completing their associate's degree at Dallas College (post high school graduation). Once selected through the holistic review process based on academic and extracurricular achievement, financial need, and leadership potential, students must:

- Submit an admission update form to SMU by April 1, 2025 along with any supporting materials
- Submit your FAFSA and CSS PROFILE® by April 1, 2025. Students not eligible to submit a FAFSA may submit the TASFA
- Students must submit an official final college transcript at the end of the spring term showing final grades

For more information about applying for admission, scholarships or financial aid as well as fee waivers, contact Rod Jackson, Senior Associate Director of Admission, at 214-768-2058 or rodrickj@smu.edu.

3. Payments and Renewal

The SMU transfer award is contingent on the student completing at least 50 hours and an Associate of Arts degree or Associate of Science degree within two years of graduating from high school while earning a 3.500 cumulative GPA from Dallas College. *(Note: Associate of Applied Arts degrees, Associate of Applied Science degrees, and Associate of Arts in Teaching degrees do not meet this requirement.)*

Promise scholars must maintain the following to remain eligible:

- Maintain a satisfactory disciplinary and criminal record while at Dallas College and SMU
- Maintain a 2.500 cumulative SMU GPA, successfully complete 75% of courses attempted, and maintain full-time student status
- This scholarship is good for five (5) consecutive semesters (2.5 academic years) or until you complete your bachelor's degree, whichever comes first
- Students must submit new financial forms annually

4. Timeline

The following timeline should be followed during a student's senior year of high school:

- January 15: Submit completed SMU application with all required documents. Priority deadline for FAFSA/TASFA and CSS Profile submission

Mid-March: Students will be notified if they are selected for the scholarship in their admission letter. A deadline for accepting the scholarship offer will be included in the letter.

Section VI: Texas A&M University – Commerce

At Texas A&M University-Commerce (A&M-Commerce), enrolled Dallas County Promise students are funded by A&M-Commerce institutional dollars which is an extension of Presidents Promise.

All Dallas County Promise (Dallas Promise) scholars who graduate from a participating Dallas County high school (see Appendix A) and meet the requirements of the Dallas County Promise Program are eligible to attend A&M-Commerce as a first-year or transfer student.

Students enrolling in A&M-Commerce directly after graduating from high school, including students completing an associate degree in high school, are eligible for a last-dollar tuition scholarship to cover the remaining balance of any tuition for 15 credit hours each semester (summer terms and non-A&M-Commerce enrolled hours are not included) NOT covered by other grants, scholarships, exemptions, benefits and/or waiver programs received by the student

For students completing an associate degree after attending Dallas College, A&M-Commerce as part of the Dallas County Promise program will cover the remaining balance of any tuition for 15 credit hours each semester for up to four semesters NOT covered by other grants, scholarships, exemptions, benefits, and/or waiver programs received by the student.

To be eligible for Dallas County Promise, students must be Texas residents, admitted to A&M-Commerce, be eligible to receive a federal Pell grant and have a family Adjusted Gross Income (AGI) of \$65,000 or less.

Once transferred to A&M-Commerce, the Dallas County Promise will pay for the remainder of tuition after federal, state and institutional grants and/or scholarships are applied. Dallas County Promise scholars who receive the A&M-Commerce Dallas County Promise Program should plan to budget for additional items that include, but are not limited to: institutional fees, housing and food, transportation, supplies (both academic and personal), parking fees, etc.

A. First Year Dallas County Promise Student Enrollment at Texas A&M University-Commerce – Traditional HS Diploma OR Both an Associate Degree and HS Diploma

Students who graduate from a participating Promise high school (see Appendix A) with 1) their high school diploma OR 2) with both an Associate

degree and a high school diploma are eligible to enroll directly to Texas A&M University-Commerce.

- **Traditional HS Diploma Eligibility Period**: Students with a high school diploma (and no associate degree) will be considered for and be considered for a last-dollar scholarship for 15 credit hours each semester (Fall and Spring only) for up to eight (8) semesters (four academic years).
- **Associate Degree and HS Diploma Eligibility Period**: Students who graduate from high school with both their associate degree and a high school diploma will be considered for a last-dollar scholarship for 15 credit hours each semester for up to four (4) semesters (two academic years).

Once enrolled at A&M-Commerce, the Dallas County Promise Scholarship will pay for the remainder of tuition after federal, state and institutional grants and/or scholarships are applied.

High school students who do not meet the Dallas County Promise program deadlines and criteria will be responsible for all tuition and fees not covered by scholarships and/or financial aid.

1. Eligibility

Current high school students are eligible to participate in the Dallas County Promise program at Texas A&M University-Commerce as a new, first-year student if they meet all of the following criteria.

1. Attend a participating high school (see Appendix A) for the full current school year and graduate from a participating high school in the current school year
2. Meet all Dallas County Promise program deadlines for the Promise Path form, admission application, financial aid application, orientation, and enrollment.
3. Qualify for a federal Pell grant or the equivalent demonstrated need as defined by TASFA.
4. Have a family Adjusted Gross Income (AGI) of \$65,000 or less.
5. Must be a Texas resident for tuition purposes.
6. Must start classes the fall semester after their high school graduation.
 - a. Dallas County Promise scholars must enroll in the fall and spring semester during their first year and must not skip a fall or spring semester during their eligibility period.
 - b. Dallas County Promise scholars may receive the scholarship benefit for fall and spring terms but NOT for summer or mini terms.

- c. "Stop Out" rule is applicable. Students who enter the Dallas County Promise and sit out for one long semester (fall or spring), must complete an appeal form if they fail to enroll each fall and spring semester.

International students currently are not eligible for the Dallas County Promise program at A&M-Commerce.

2. Application

Transfer students who do not meet the Dallas Promise-UNT deadlines and criteria will be responsible for all tuition and fees not covered by scholarships and/or financial aid. International students currently are not eligible to receive the tuition benefit at UNT through the Dallas Promise program.

A Dallas Promise -UNT Program Scholar at UNT may:

- Receive other private and institutional scholarship funds (contact the Financial Aid Office at UNT for further details at financialaid@unt.edu).

A Dallas Promise -UNT Program Scholar at UNT Must:

- Accept all gift aid for which they are eligible, including any federal, state, and/or institutional grants and scholarships.
- Complete their financial aid file, including verification, by March 1 each year.

A Dallas Promise -UNT Program Scholar at UNT May Not:

- Transfer the award to another college/university outside UNT.
- Return to UNT and receive funds after or while attending another institution.
- Transfer the award to another individual.
- Receive a refund of any unspent Dallas Promise dollars in award account.

2. Application

- Meet all Dallas Promise deadlines for the Promise Path form, admission application, FERPA waiver, financial aid application, scholarships, orientation, and enrollment
- Be admitted by April 1, 2023 for Fall 2023 or December 1, 2023 for Spring 2024 semesters including submitting official transcripts from all previously attended and/or currently enrolled colleges/universities.
- Have a complete FAFSA and/or TASFA on/before April 1, 2023 for Fall 2023 or December 1, 2023 for Spring 2024 which includes the submission of all required documents if chosen for verification.
- To ensure prospective students are considered not only for Dallas Promise but for UNT’s competitive scholarships, scholars are encouraged to be admitted and apply for financial aid by April 1, 2023 for Fall 2023 or November 1, 2023 for Spring 2024.

3. Payments and Renewal Criteria

Once a Dallas Promise Scholar graduating from Dallas College with an Associate degree is enrolled at UNT, they must maintain specific criteria to continue receiving Dallas Promise–UNT Program financial aid. The renewal criteria are as follows:

- Be registered for a minimum of 15 credit hours each fall and spring semester (non-UNT enrolled hours are not included)
- Successfully complete at the end of each academic year at least 30 semester credit hours at UNT
- Maintain a minimum UNT cumulative grade point average (GPA) of 2.50 at the end of each fall and spring semester.

- Maintain eligibility for federal, state, and/or institutional financial aid programs and have an EFC within the equivalent of the federal Pell grant range for applicable aid year.
- Submit FAFSA and TAFSA applications by the established deadline.

Section XI: The University of Texas at Arlington

UTA Dallas Promise Scholar Award

All Dallas County Promise (Dallas Promise) scholars who graduate from a participating Dallas County high school (see Appendix A), meet the deadlines and requirements of the UTA Dallas Promise Scholar Award program, and meet UTA admission requirements are eligible to attend UTA as a first-year student or transfer student with a Dallas College associate's degree.

Qualified students from families with an adjusted gross income of \$85,000 or less, will have tuition paid with a combination of federal, state, and The University of Texas at Arlington (UTA) funds. This ensures that students will have no out-of-pocket costs for tuition (classes only). UTA funds will be "last-dollar", meaning funds will be applied after federal, state, and/or other grants, scholarships, exemptions, benefits and/or waiver programs are applied to the student's bill to pay for 12 or more credit hours each fall and spring semester (summer terms and non-UTA enrolled hours are not included).

UTA Dallas Promise Scholars should plan to budget for additional items not covered by the UTA Dallas Promise Scholar Award, including, but not limited to: institutional fees, housing, food, travel, transportation, supplies (both academic and personal), parking fees, etc.

First-year students (including students completing an associate's degree while in high school) must enroll at UTA directly after graduating from high school.

Transfer students must enroll at UTA in the fall semester directly after completing an associate's degree at Dallas College within two years of high school graduation and maintain eligibility in the Dallas County Promise program.

UTA Dallas Promise Scholar Awards are applied after all eligibility and annual renewal criteria are met, for up to a time period of continuous enrollment in 12 or more credit hours each fall and spring semester immediately following high school graduation not to exceed 150 total attempted credit hours (including dual credit and transfer credit), or when a student earns their first bachelor's degree – whichever comes first.

A. First-year Dallas County Promise Student Enrollment at The University of Texas at Arlington – Traditional HS Diploma

Students who graduate from a participating Dallas County high school (see Appendix A), and meet the requirements of the Dallas County Promise Program and meet admission requirements at UTA are eligible to enroll at UTA directly after high school graduation and be considered for a full-tuition award package which includes state and federal financial aid to pay for 12 or more credit hours each fall and spring semester for up to eight semesters (four years), or 150 total attempted credit hours (including dual credit and transfer credit) or when the student earns their first bachelor's degree, whichever comes first.

After eligible Dallas Promise students are enrolled at UTA, UTA Dallas Promise Scholar Awards will pay for the remainder of tuition after federal, state, and institutional grants and/or scholarships are applied. Annual renewal requirements must be met.

First-year 2023 students who do not meet the full-tuition award requirements or application deadlines may still receive other state, federal, and UTA financial aid as long as they meet requirements. Students who do not meet the UTA Dallas Promise student application deadlines will be awarded with the best financial aid package possible based on available funds at the time of the award. Students not receiving the Dallas Promise full-tuition award will be responsible for all tuition and fees not covered by scholarships and/or financial aid.

1. First-year Student Eligibility Requirements

2023 graduates are eligible to participate in the Dallas County Promise program at The University of Texas at Arlington as a new, first-year student if they meet all of the following criteria.

1. Attend a participating high school (see Appendix A) for the full 2022-2023 school year and graduate from a participating high school in the 2023 school year.
2. Meet all Dallas Promise deadlines for the promise path, admission application, FERPA waiver, financial aid application, scholarships, orientation, and enrollment.
3. Must complete the FAFSA or TASFA by February 14, 2023 and be eligible to receive funds through the Federal Pell Grant and/or Texas Grant programs.
4. Have a family adjusted gross income of \$85,000 or less.
5. Must be a Texas resident (for tuition purposes).
6. Must start classes the fall semester after their high school graduation.

- a. Dallas Promise scholars must enroll in the fall and spring semester during their first year and must not skip a fall or spring semester during the up to four-year eligibility period.
 - b. Dallas Promise Scholars may receive the award benefit for fall and spring terms but not for summer or mini terms.
 - c. Students who enter UTA as a Dallas Promise student and “stop out” or drop enrollment for a long semester (fall or spring) will be ineligible for the program and the UTA Dallas Promise Scholar Award.
7. Register for a minimum of at least 12 credit hours per semester (fall and spring).

International students are not eligible

2. First-year Student Application Deadlines

- For the 2023 school year, submit a complete FAFSA and/or TASFA to UTA (UTA Federal School Code 003656) on or before February 14, 2023.
- Application for admission to UTA for the fall 2023 term and all required supporting admission documents must be received on or before February 14, 2023.
- All required financial aid supporting verification documents for UTA must be received on or before February 14, 2023.

Note: Dallas Promise students are encouraged to apply by December 1st for other UTA competitive scholarships.

For more information about applying for admission, scholarships, or financial aid contact our counselors at UTADallasPromise@uta.edu.

B. First- year Dallas County Promise Student Enrollment at The University of Texas at Arlington- Graduate from HS with Associate’s Degree and HS Diploma

First-year 2023 graduates from a participating Dallas County high school (see Appendix A) who have earned their associate’s degree, meet the requirements of the Dallas County Promise Program, meet UTA admission requirements, and UTA Dallas Promise requirements are eligible to enroll at The University of Texas at Arlington (UTA) and be considered for a full tuition award for 12 or more credit hours each fall and spring semester for up to four semesters (2 years), or 150 total attempted credit hours (including dual credit and transfer credit) or when the student earns their first bachelor’s degree, whichever comes first.

After eligible Dallas Promise students are enrolled at UTA, UTA Dallas Promise full-tuition awards will pay for the remainder of tuition after federal, state, and institutional grants and/or scholarships are applied. Annual full tuition award renewal requirements must be met.

First-year 2023 graduates with an associate's degree who do not meet the full-tuition award requirements or application deadlines may still receive other state, federal, and UTA financial aid as long as they meet requirements. Students who do not meet the UTA Dallas Promise student application deadlines will be awarded with the best financial aid package possible based on available funds at the time of the award. Students not receiving the Dallas Promise full-tuition award will be responsible for all tuition and fees not covered by scholarships and/or financial aid.

1. First-year Student with Associate's Degree Eligibility Requirements

2023 graduates are eligible to participate in the UTA Dallas Promise Scholar Award program at The University of Texas at Arlington as a new, first-year student if they meet all of the following criteria.

1. Attend a participating high school (see Appendix A) for the full 2022-2023 school year and graduate from a participating high school in the 2023 school year
2. Meet all Dallas Promise deadlines for the Promise Path, admission application, FERPA waiver, financial aid application, scholarships, orientation, and enrollment.
3. Must complete the FAFSA or TASFA by February 14, 2023, and be eligible to receive funds through the Federal Pell Grant and/or Texas Grant programs.
4. Have a family adjusted gross income of \$85,000 or less.
5. Must be a Texas resident for tuition purposes.

7. Register for a minimum of at least 12 credit hours per semester (fall and spring).

International students are not eligible

2. First-year Student with Associate's Degree Application Deadlines

- For the 2023 school year, submit a complete FAFSA and/or TASFA to UTA (with UTA's school code 003656) on or before February 14, 2023.
- Application for admission to UTA for the Fall 2023 term and all required supporting admission documents must be received on or before February 14, 2023.
- All required financial aid supporting verification documents for UTA must be received on or before February 14, 2023.

Note: Dallas Promise students are encouraged to apply by December 1st for other UTA competitive scholarships.

For more information about applying for admission, scholarships, or financial aid contact our counselors at UTADallasPromise@uta.edu.

C. Transfer Student Dallas County Promise Enrollment at The University of Texas at Arlington

Dallas Promise Scholars who remain Dallas Promise eligible and complete an associate's degree from Dallas College within two years of high school graduation, meet UTA admissions requirements with a 2.25 minimum GPA, and meet the other UTA Dallas Promise Scholar Award eligibility criteria can be considered for a full-tuition UTA Dallas Promise Scholar Award for 12 or more credit hours each fall and spring semester for up to four semesters (2 years) or 150 total attempted credit hours or until the student earns their first bachelor's degree, whichever comes first. Transfer students must enroll at UTA directly after completing an associate's degree at Dallas College and maintain eligibility in the UTA Dallas Promise Scholar Award program.

After eligible Dallas Promise students are enrolled at UTA, UTA Dallas Promise Scholar Award will pay for the remainder of tuition after federal, state, and institutional grants and/or scholarships are applied. Annual UTA Dallas Promise Scholar Award renewal requirements must be met.

Transfer students with an associate's degree must apply for the fall semester only to be considered for Dallas Promise at UTA. Transfer students with an associate's degree who do not meet the full-tuition award requirements or application deadlines may still receive other state, federal, and UTA financial aid as long as they meet requirements. Students who do not meet the UTA Dallas Promise student application deadlines will be awarded with the best

financial aid package possible based on available funds at the time of the award. Students not receiving the Dallas Promise full-tuition award will be responsible for all tuition and fees not covered by scholarships and/or financial aid.

1. Transfer Student Eligibility Requirements

5. Maintain a minimum end of academic year institutional cumulative grade point average (GPA) of 2.50 to be checked at the end of each spring semester. (Students falling below a 2.50 UTA cumulative GPA at the fall semester will be given a warning and will still be eligible for Dallas Promise in the immediately following spring semester).
6. Meet and maintain minimum standards of UTA Satisfactory Academic Progress as set forth in the UTA Undergraduate Catalog.
7. Be within the eligible enrollment period since graduation from a Dallas County participating high school with continuous enrollment in 12 or more credit hours each fall and spring semester, not to exceed 150 total

attempted credit hours (including dual credit and transfer credit) without having already earned the first bachelor's degree – whichever comes first.

8. Meet [TEXAS Grant](#) renewal requirements.

A UTA Dallas Promise Scholar at UTA Must

- Accept all gift aid for which they are eligible, including Pell grants, state grants, and scholarships.
- Complete their financial aid application, including verification, on or before February 14.
- Adhere to enrollment and financial aid policies.

A UTA Dallas Promise Scholar at UTA May

- Receive other private and institutional scholarship funds (contact the Financial Aid and Scholarship Office at UTA for further details at schol@uta.edu).

A UTA Dallas Promise Scholar at UTA *May Not*

- Transfer the funds to another college/university outside UTA.
- Return to UTA and receive funds after or while attending another institution.
- “Stop Out” or drop enrollment from a fall or spring semester at UTA during their Dallas Promise Program eligibility period.

Appendix A: 2022-2023 Participating High Schools

The following schools were invited to participate in Promise because they are either a TEA-approved Early College High School that is co-sponsored by Dallas College, or because they are a co-sponsor with Dallas College of a collegiate academy that has produced graduates with a degree from Dallas College.

Students attending a district's alternative campus are eligible so long as the student's transcript reflects the name of a participating high school. Students must have been enrolled in a Promise high school as of November 1, 2022 and graduated from a Promise high school by June 30, 2023 to be Promise eligible.
