

“It’s not as easy to decide if you want to go to college or not because of the expense. Dallas County Promise helped me pay for my tuition, and I learned [not] to be hesitant to reach out for help.”

—JACQUELINE, PROMISE SCHOLAR

What Is The Dallas County Promise?

More than just a scholarship:

Tuition-free education

Success coaching

Mentoring from schools and leaders in the DFW region

Transfer, mentorship, and workforce opportunities

Why Consider Promise?

Most of our partners have **NO ESSAY requirement**, and some partners also have **NO INCOME or GPA requirement** to apply. Once you’re enrolled, dedicated support staff will help connect you with on-campus resources and steer you towards a successful graduation. Now that you have earned your associate degree, you may have the option to attend a Promise partner university directly to earn your bachelor’s degree with any tuition gap entirely covered! Learn more at www.DallasCountyPromise.org/Students.

SPECIAL NOTE: Each partner college and university has specific admissions requirements and a unique priority deadline to be considered for additional institutional scholarships. Visit www.dallascountypromise.org/students/college-partners for more info.
